ABHIJEET KHUMKAR

Akola / Mumbai, Maharashtra | +91-9623128109 | abhijitkhumkar111@gmail.com | linkedin.com/in/abhijeet-khumkar

PROFESSIONAL SUMMARY

MBA (Marketing) candidate with hands-on field sales experience in retail execution, distributor coordination and demand generation across 110+ retail outlets. Delivered a 20% year-on-year rise in sales volume while securing shelf space and ensuring zero stockouts. Adds B2B account-acquisition experience. Targeting FMCG sales roles.

EDUCATION

MBA (Marketing), Vidyalankar Institute of Technology (VIT), Mumbai | CGPA 8.10/10 — 2025 – 2027

B.Sc. (Hons.) Agriculture, SVGI College of Agriculture, Jalgaon | CGPA 8.00/10 — 2024

HSC (Science), S. S. G. M. College, Akola | 65% — 2020

SSC, S. V. D., Akola | 82.4% — 2018

PROFESSIONAL EXPERIENCE

Marketing Intern, Agri Input Division | Godrej Agrovet Limited, Nagpur — May 2026 – Jul 2026

Project: Territory Execution, Distribution Management and Demand Generation, Cotton Herbicide, Kuhi Taluka, Nagpur

- Spearheaded a go-to-market rollout through 23 farmer meetings, 5 field days and 19 demonstrations, delivering a 20% year-on-year rise in sales volume
- Onboarded 21 new retailers and secured orders for 41 cases and shelf space; deployed POS branding and tray displays to boost in-store visibility and sell-through
- Coordinated stock flow across 3 distributors and 110+ outlets, ensuring product availability with zero stockouts
- Audited retailers on pricing and credit practices and benchmarked against competitors
- Outperformed peers to rank as top-performing intern across the Crop Protection division for Jun–Jul 2026 on the Beat Route platform

Business Development Project Associate | Nexovo Tech Services Pvt. Ltd. — Apr 2026 – Present

Project-based (part-time)

- Research and identify B2B accounts, run outreach through Apollo, email, WhatsApp and in-person meetings, and manage a growing pipeline with 2 active clients, each valued in lakhs of rupees
- Present digital solutions including Hospital Management Systems, websites and CRM, and help design client systems from a management and business standpoint

Marketing Intern | Hifield-AG Chem India Pvt. Ltd. — Aug 2023 – Jan 2024

- Built brand awareness and strengthened relationships across an 18-retailer network ahead of the commercial launch of pesticide and biostimulant products
- Supported field trials and farmer demonstrations to build confidence among farmers before launch
- Researched retailer demand and addressed go-to-market gaps by translating findings into targeted field messaging

PROJECTS

Rural Agricultural Work Experience (RAWE) | B.Sc. (Hons.) Agriculture — Jul 2023 – Nov 2023

- Facilitated 13 village-level meetings with farmers to enhance awareness and promote the adoption of innovative agricultural technologies
- Analyzed 9 soil samples and contributed to field research and data collection efforts

Post Harvest Management Module | B.Sc. (Hons.) Agriculture

- Researched post-harvest management practices for various horticultural crops and developed innovative value-addition strategies for these products

LEADERSHIP & ACHIEVEMENTS

- **Coordinator, Krushi Pradarshan**, SVGI College of Agriculture: led a team of 8 to organize an agri exhibition with 30+ stalls
- **Department topper in Entomology**, 3rd year B.Sc. (Hons.) Agriculture
- **Case competitions:** Reliance T.U.P XII (participant); AWL B-School Case Study Challenge 2026 (result awaited)
